**Re: Freedom of Information Act Request EPA-HQ-2013-004232**

Dear: Mr. Johnson

This is in response to your March 6, 2013, Freedom of Information Act request. An extension for more time is required to comply with your request is necessary.

The reasons for the extension are:

- The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records involved in your request. (40 CFR 2.112(e)(2)); and
- The need for consultation, which shall be conducted with all practicable speed, with another agency or EPA office having a substantial subject-matter interest in your request. (40 CFR 2.112(e)(3)).

An initial determination is expected by April 22, 2013.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark J. Huff", is written over the typed name.

Mark J. Huff, Director  
Program Management, Communication  
Analysis Division  
Office of Resource Conservation and Recovery
